SUPERVISION RECORD

Meeting No: 08   Date: 01/02/2022

Topic for Discussion: Review of Chapter 3 Methodology

Problem (If any): 1. Class diagram
                     2. Use case and corresponding sequence diagrams
                     3. Things to write in methodology portion

Possible Findings: 1. Representing actual class structures in class diagrams
                     2. Each use case corresponds to a sequence diagram
                     3. Methods used in project and its justification

Supervisor's Remarks:

Topic for next meeting: Poster presentation
